Packing and Storing Tips

- Label boxes and keep a corresponding list at home for reference about your stored items.
- Use extra packing to fill-in pockets in boxes containing fragile items and store on top of other items.
- Store appliances with the doors slightly ajar to prevent mildew.
- Individually wrap all glassware and dishes, fill pockets with extra packing, consider divider boxes.
- Store mirrors, screens and windows upright-not flat.
- Do not store items that may break if frozen in non-climate controlled facilities.
- Store valuable papers and books in plastic bags off the floor to prevent damage from condensation.
- Remove legs from tables and store tables on their tops.
- Use moth balls or cedar chips to protect wool clothing from moths.
- To prevent mattresses from losing shape and comfort store upright.
- Insure your valuables. Your property is solely your responsibility. We do not offer insurance.
